

Legislative decree nr. 196 30th June 2003

“Personal Data Protection Code”

INFORMATION FOR THE CURRICULA OF PROFESSORS AND/OR SPEAKERS

Dear Sir, in compliance with the current set of rules on personal data protection, the company *Biomedical Technologies*, with registered office in Cagliari, via Cugia 1 - 09129, as data controller, is obliged to give you all information regarding the processing of your personal data.

The processing of information concerning yourself, will be made according to principles of correctness, lawfulness and transparency and by protecting your privacy and rights.

Purpose of processing

The data will be treated for the purpose of allowing your subscription as a professor or a speaker at any of the event organized by our Company. The data submitted will be only used for purposes related to the reciprocal obligations deriving from the contractual relation established with you, as well as for operational needs and internal management. In particular, only by way of example and without exclusion of other activities that you may have explicitly requested, the data provided will be processed with the purpose of allowing a correct management of the event organized and comply with the relevant fiscal obligations provided for by laws and regulations, as well as by provisions given by the legitimate authorities. All the data submitted will be used for the fulfilment of all purposes related to the management of accreditations (ECM-EACCME-AMA and others), as well as for their transmission to the relevant authorities. In case you give your consent, your data may be also used for future marketing activities regarding our services and/or products or for possible future collaborations.

Modality and logic of processing

The processing of personal data that you have provided as partners of this Company, or otherwise obtained within our economic activity, in the respect of legislative and contractual laws in force, takes place through instruments and devices suitable for guaranteeing the protection and privacy and may take place by means of computer science, paper or telematic devices, through people expressly appointed, that will use electronic and non electronic devices, in such a way to guarantee the privacy and protection of your data. The processing will take place according to a logic strictly related to the purposes and may involve all the activities provided by Article 4, paragraph 1, letter a), of the Legislative decree nr. 196/2003. The personal data relevant to you, will be processed in a lawful and correct manner: they will be gathered and recorded for the purposes above-mentioned; if necessary they will be updated; they will be processed for the whole duration of the contractual relation and after, for the fulfilment of all provisions as well as, if you give your consent, for future commercial purposes or future collaborations.

Consequences in case of data provision's refusal

The provision of the data is compulsory as regards everything required by lawful and contractual obligations and therefore a refusal to provide the data or to proceed them prevents the writer to initiate the same contractual relations; your consent for future marketing activities or for future collaborations is a free choice and a refusal does not imply any action on the writer's side.

People that may get to know about the personal data

It being understood the communication and diffusion made in compliance with the laws, the data may be transmitted in Italy to some of our employees appointed for this purpose.

We inform you also that – if being understood the request of your consent when it is required by law, the above-mentioned processing of your personal data may be done by people authorized by laws or regulations or other EU provisions to access your personal data.

The controller of your personal data is: Biomedical Technologies – Registered Office: Via Cugia 1, 09129 Cagliari.

We kindly ask you to let us know in good time any change of your personal data according to Article 11, letter c) of the above-mentioned set of rules, implying that the data collected are correct and therefore, updated.

We also remind you that you will be able to exercise all rights according to Article 7 of Legislative decree nr. 196/2003 and that we wholly reproduce for your convenience.
